INSTRUCTIONS PRECEDING GENERAL ANESTHESIA AND INTRAVENOUS SEDATION

PREPARATIONS:

- No food or drink must be taken within SIX hours of the appointment time.
- The previous meal should be light and easily digestible.

- Please wear a loose fitting, short sleeve shirt. *(Sleeve should be above the elbow.)*
- Dentures, glasses or contact lenses must be removed. *(A nurse will arrange safe keeping.)*

FOLLOWING SEDATION:

- The patient must be accompanied home by a relative or friend.

- **Any patient accepting a sedation or general anesthesia appointment must specifically agree:**
 - **NOT to drive a vehicle or operate any machinery the same day.**
 - **NOT to undertake any responsible business matters.**
 - **NOT to drink any alcohol 24 hours before and 24 hours after.**
 - **NOT to eat or drink anything 6 hours prior to the appointment.**

There are normally no after-effects following this form of treatment. However, the above precautions must be strictly adhered to due traffic regulations, general safety, etc.

I have reviewed and understand these instructions regarding my or my child's procedure.
